SALLYE TILLET '71

(34)
 Sallye
 I hope you had
 as much fun this year
 as we did in Dilworths class
 the last year. Have a great
 summer. I won't be able to see
 you next year so good by.
 Richard Greene 69

Oh my gosh
 I can't believe
 I'm a senior.
 Remember me.
 and
 love
 David

Sallye -
 it's been a long hard
 year - but we made it,
 too bad you'll be here next
 year (this kid's going to Tenn.)
 but inside I regret leaving
 good ole' NORVIEW: best of luck
 in the future years - have
 a wild summer
 "RIBBIT"
 with love,
 David Reilly
 '69

To Sallye: a very
 nice girl in my English
 class who always makes
 good grades. See you
 next year (maybe)
 Michael Simpson

Sallye
 I think you're
 the sweetest person
 I know. Stay that way
 and you'll go far in the
 future.
 Love, Ricky Taylor

Sallye,
 we've been good friends for years (?) this year we
 haven't really been that close. Maybe next year
 things will be different. I hope we'll be in
 some of the same classes next year. I hope you'll
 make B.D. I know I want to Remember
 all the good times we've had and forget
 the bad. Now can we even forget water?
 Good Luck in the future, although you won't
 need it.
 have ya
 Warette

love, red

Sallye
 It's been lots of
 fun having you sit
 in front of me with all
 your little funny wise cracks
 have fun over the summer
 Jimmy
 McFadden 71' Kappa Sigma Psi
 68'

Baby,
 you're such sweet
 and cute every
 time. We know
 ya. Stay that way
 always. Good there
 in the future in
 everything you do.
 Yes ya,
 sweet!

[illegible]

Hey SALLYE,

Hi BABES. How ya doin? Hope you pass
EVERYTHING THIS YEAR. BY GOD, IT'S BEEN A
JOLLY GOOD TIME, WHOT! YOU'RE A REAL
SWEET GIRL AND A HONEY OF A FRIEND
TO ME. I'LL NEVER FORGET ALL THE FAVORS
YOU'VE DONE FOR ME DURING YOUR EXISTANCE
IN MY MIND. FOR INSTANCE, THE TIME YOU
SAVED ME FROM CERTAIN DEATH BY PULLING
THE THORN FROM MY PAW WITH A DOLL
SAFETY PIN. THAT WAS THE BRAVEST THING
YOU'VE EVER DONE AND WAS THE BRAVEST
(SNIFF) THING I'VE EVER (SNIFF) SEEN IN
(SNIFF) MY LIFE. I SURE HOPE I
SEE YOU OVER THE SUMMER AT SOME
TIME OR ANOTHER. HOPE YOU HAVE
A "JOLLY GOOD SHOW" THIS SUMMER. BEST
OF LUCK IN ALL YOU DO, YOU SWEET
THING YOU.

LOVE YOU INTO LITTLE
BITS,

THE CLOWN ♂⁷¹

UNDERCLASSMEN

Junior Class Council

The Junior Class Council carries as its responsibility one of the largest projects of the school year — the Junior-Senior Prom. Planning this event occupies most of the year. Class dues must be collected, a theme decided upon; decorations must be planned and executed. Perhaps the hardest job of all is keeping secrets around the school. Junior class sponsor is Mrs. Joyce Drew. The whole of Norview appreciates the efforts of this elected group.

The Sophomore Class begins three, long years of hard work, deep thinking, and plenty of fun.

The Sophomore Class Council, sponsored by Miss Middleton, devotes most of its time collecting dues, which will support next year's Prom. They hold monthly meetings and plan projects to promote school spirit.

Sophomore Class

Sophomore Class Council: 1st Row: S. Hammer, V. Golson. Row 2: D. Reeves, P. Abad, S. Maddox. Row 3: R. Savine, E. Fitzgerald, C. Lambert. Row 4: E. Eller, M. Gibson, I. Adamson. Row 5: V. Jennings, S. McMahan, C. Woods.

Sallye,
Well, the year is almost over! Just think next year we're juniors! I can't forget the times we had talks! And I'm glad to know that the sorority doesn't have any effect on our friendship. I hope to see you & Robert in the summer. We'll have to get together this summer, also!

Officers: 1st Row: Pam Hughes - V. President, Marcia Montervino - President, 2nd Row: Jane Berryman - Treasurer, Rose Ann Scavine - Secretary.

ACADEMICS

Administration

The administrative staff of Norview High is composed of well trained personnel with the capabilities to understand the world of the student.

It is their job to maintain the high scholastic levels set by the state and to provide for us the best in educational facilities.

Our administrators are, Mr. Charles Perdue, whose job is to control every aspect of the school activity and see that it runs smoothly. Mr. Bert Hindmarsh is in charge of all administration and complaints. His biggest problem is scheduling. Mrs. Mariana Becker is responsible for activities divorced from the administrative, and the acquiring of all school materials. Mr. Robert Tata is chief disciplinary and administrative assistant. His biggest problem is time!

These are some of the jobs of an efficient office staff. Helping everyone over rough spots is a tough job, but one which Norview's office personnel handles easily and graciously. English

The English Department of Norview offers to each student a variety of classes that includes American Studies, American Literature, English Literature, and grammar.

The main idea stressed in all of the English classes this year has been "Improvement of the Composition". Students displaying exceptional talents in writing were invited to enter the annual essay contest in the spring.

In the senior English classes, the year was climaxed by a trip in the spring to Williamsburg, where they attended a production of Hamlet.

Langues Etrangeros — Linguae Barbarae — Fremdsprachen — Lenguajes Extranjeros — Although separated by pronunciation, spelling and centuries of dialectic use and misuse, each phrase conveys the same idea in its own way — Foreign Languages.

Through use of written material, language labs, guest speakers, and individual instruction by our adept teachers, our Language students have been taught pronunciation, grammar, customs, and literature of one or more of the four languages taught and their respective countries.

In addition to the individual language classes, there are the language clubs. Each tries to better its members knowledge of the country which it represents, and at the same time to provide fellowship and fun with others who share these common bonds.

No matter how diverse these languages are, each has the same goal in mind; to bring together the peoples of different countries by mutual knowledge and interest, in a world where communication is most important.

Mathematics

Mathematics, difficult for some,
challenging for all.

Attitudes towards math changes very little over the years. Students still frown over geometry, cry over algebra, and sometimes lose patience over calculus.

The problems increase as the work advances. Equations to solve, postulates to learn, theories to prove . . . all create a maze that calls for skilled teachers and intelligent learners.

Social Studies

During his high school career, a student must venture through the many doors of social studies and discover the many ideals of man that have created such a great heritage as ours. During his sophomore or junior year, in History or American Studies, he learns everything from the earliest explorations the problems of our times.

During his senior year, the student passes through one last door to obtain a foundation in government, International Relations, Problems, or Economics. As his high school career draws to a close, the student realizes he has obtained through these explorations many things of great value, which enable him to become a good citizen of our everchanging world.

Science

There was a vast awakening to new and fascinating worlds this year in science classes. Science aroused a curiosity in students for learning, whether in calculating exact weights in chemistry, solving the mysteries of centrifugal force in physics, or discovering a whole new world of life in biology.

Labs and independent research have replaced lectures and routine classes to a great extent. Learning by doing has become an important education technique. Participation in all class discussions is most important because it helps the student obtain through the ideas of others a better understanding of the world around him. Theories, once printed lessons, became practical experiences — the abstract made concrete to all.

Health And Physical Education

The Health and Physical Education Department of Norview is composed of ten staff members. Each had majored in physical education in college. The department is divided so that one week the girls are in Health education while the boys are in Physical education; the next week the classes exchange. This organization permits maximum use of all teaching stations by both groups.

The health classes are designed to give much practical information for daily living without repetition of subject matter. Physical education classes increase the strength and endurance of each pupil and at the same time teach valuable skills in activities which can be enjoyed in later life.

Driver's Education students are taught the basic skills of driving such as backing up, diagonal and parallel parking, and turns.

The instructors guide each student to a better understanding of his responsibility to others — as an adult and a good driver.

Home Economics

Home economics is a field of knowledge, and it services the strengthening of the home and family as an important social, cultural, and economic unit in society based on three main principles the home and family contributing to the development of the individual as a well-rounded person, as a participant in the world of work and as a citizen; and the development of community service important to home and family life. The Home economics program is flexible and can be adapted to meet changing needs of individuals and families in today's world.

At present there are three consecutive years of home making offered with a comprehensive course for Seniors.

Business

The Business world looks to the public High School to prepare many of its clerks, secretaries and bookkeepers. Norview has accepted the challenge of this training program in an aggressive and forward-looking manner. From 8:00 AM to 3:15 PM, business classrooms are filled with hard working students, plumbing the depths of machines, books, and patterned paper.

Norview High School was the only school in Norfolk which offered the course in data processing this year. Plans for the future include combining all the separate business classes into block periods. No longer will the Business classes be separate, individual courses. A student will be able to study in one class all the skills related to business.

The industrial arts program answers industry's cry for help and prepares students for a better future by helping them to become intelligent consumers. Arts, Metal Shop, the Wood Shop in which a student is taught various tools and designs, the Electric Shop which converts theory into practical experience, and Mechanical Drawing which meets the demands by supplying skilled draftsmen.

Students preparing to enter the industry are introduced to various materials which apply to their specific needs. During the course of each of these classes students are called upon to make certain projects relating to what they have learned. These projects range from candlesticks to motorscooters, and including furniture, projects relating to T.V. communications, and 3-D Blue prints.

Stepping through the library's doors, one discovers a personal realm of books for learning and enjoyment. Not only does our library offer this variety of books, but it also furnishes, and encourages us to use, the audio-visual equipment: films, records, slides, micro-films, and tapes. The library also offers many current publications — magazines, newspapers — and professional reading for Norview's faculty. The library has an extensive reference storage of magazines and periodicals which awaits use by someone in search of literary help.

All class roads lead to the library. There is never a task too big nor a question too absurd for Norview's librarians.

Art

Give an art student paints, brushes, or a mass of clay and he loses himself in a world of his own. What he sees and feels he can express in just about any way; from things way out to things more recognizable. As long as a student relies on his own imagination he is free "to do his thing." The choice is his, for self-expression is the basis of all art.

This year found art students busying themselves with clay, paints, papier-mâché and batik (hand dyeing of cloth). In the advanced classes, students worked in making metal and copper jewelry. For the Art Department, it has truly been an "Artsy, Craftsy Year".

Music

The distant sound of muffled drums and melodic singing echoes from an almost forgotten section of our halls. The Music Department is at work again. Whether the band is practicing or our chorus is singing Christmas carols, we are reminded of the part that music plays in our daily lives.

Under the direction of Mrs. McDermott and the aid of Mrs. Bilbo, the choruses, Baker's Dozen, Madrigals and the Bell Choir continue to enrich the atmosphere with their melodies. Mr. Bailey, our band director, is responsible for keeping the Norview High School Band in time and in tune to match our pride in its accomplishments.

Clinic

Helping care for the sick students and providing for better health conditions in the student body becomes a full time job for our nurse, Mrs. Chase. She is a fulltime nurse provided for by the Public Health Department. One may feel free to visit at any time for advice on general judgement in one's manner of dress, good eating habits, on the danger of crash diets, and food facts, and on any general information on adjustments to school situations.

Mrs. Chase

Custodian

As part father and part keeper, the custodian's job is to care for the school, (our home for the day) and our every need. They open locks, when we have forgotten the combinations. Besides this they repair lockers, replace lightbulbs, and maintain grounds along with a million other things. Mr. Bright and Mr. Wallace are two such men. They help to keep the appearance of Norview something to be proud of.

They all come early, and leave late. Everyone hurries to make lunch for the vast number of empty stomachs that will storm through the cafeteria doors any minute! The Student Cooperative Association is made up of the entire student body. It is a student government that speaks with one voice to express the needs of each individual student. Its goal — to unite the school and promote a general feeling of school spirit. The S.C.A. also expresses the concern of students for the public by its service projects. It collects contributions for worthwhile organizations, makes up Thanksgiving and Christmas baskets for needy families, supports the soldiers in Viet Nam by sending small gifts and generally shows the public that teens care. The students of Norview High can and do work together — in their S.C.A.

Quill And Scroll

The Quill and Scroll, made up from members of the Pilot sponsored by Mrs. Powell, the Co-Pilot sponsored by Miss Washburn, and the Piloteer sponsored by Mrs. Smith, is recognized throughout the United States as being among the top six organizations to which the college administrations give special attention as well as special consideration. Therefore those who are chosen consider it a great honor. These students are chosen by the sponsors on the basis of the student's work in each of the participating departments. The Norview Co-Pilot bases its choice on those who have shown the most outstanding journalistic works, the Piloteer for those who have displayed the most outstanding writing achievements in Norview's literary magazine and the Pilot for the most outstanding leadership.

The main event of the Quill and Scroll is the annual banquet, held in December.

The Debate Club

The Debate Team is composed of ambitious young people who find a challenge in controversy of any form. Many of the members of the present team helped to bring the 1968 District Championship title to Norview High School.

The purposes of the Debate Club are to give self-confidence and speaking ability to the student. The Debate Club exposes one to research and thinking skills. The experience that one gets from the Debate Club is not only used in debates but, also, applied to every day life. The research skills help in school and the thinking skills help everywhere.

Our team has successfully competed in the Indian-River, Wake Forest, Winston-Salem, and William and Mary Tournaments. Our team has sent representatives to the two most important tournaments of all. The District and State Tournaments.

Our goal has been to give Norview High the reputation of being the center of academic learning.

This is the busy place, room 210 bell 6, 7, ad infinitum. This is the home of hurried deadlines and organised confusion. Starting their work in the summer by selling advertising space to various Tidewater businesses, the 1969 Pilot staff works furiously throughout the year, stopping only at the end of one of the four deadlines.

The Annual staff is composed of four different staffs: Layout, Copy, Photography, and Business, all working together to produce the Pilot. The five editors are responsible for over all policy and planning of the book in all stages. The editors and their staffs work together under the watchful eyes of Mrs. Powell.

Piloteer

Officers: R. Tatum — Business Manager, Mrs. Margaret Smith — Sponsor, L. Carlisle — Editor

Piloteer is a creative writing club responsible for the publication of Norview's literary magazine, *Piloteer*. The club's main purpose is to encourage writing talent and interest in literary functions of the school.

Mrs. Margaret Smith is the sponsor and supervisor for the club. Besides carrying out the *Piloteer*'s publication, the club plans to attend many of the plays given by the Norfolk Little Theater in their new season.

Concert Chorus

The Concert Chorus, headed by Mrs. McDermott, performs at the Christmas Assembly:

Tired throats and a crowded schedule marked a triumphant year for the Concert Chorus. They started the year by giving a "Patriotic" program at the Monticello Hotel. The Concert Chorus gave such a splendid performance that they received a standing ovation from all. They set the mood for Christmas by giving three performances at school as well as one at night for parents. In February, the annual All-Regional and Workshop concert was held at Lake Taylor High school with students that preauditioning for membership in November. In the first part of May Norview's Concert Chorus participated in "High Schools on Parade". During the last part of May they held their annual spring concert.

Since no Pilot feels his graduation is complete without music by the chorus, they ended the year with inspiring hymns at Baccalaureate and Graduation Services.

The Baker's Dozen cooks up a song:

The swinging 13 vividly describes the Baker's Dozen. Whether singing in harmony or swinging to popular music, the Baker's Dozen manages to do each with ease. Not only do they lift up their melodic voices in song, they also many times create a dance that enhances their performances to go with the song. Talent, creativity, and life, are only a few virtues that make the Baker's Dozen tops in singing.

The Bell Choir rings out at the Christmas Concert.

Norview High School is privileged to be the only high school in Virginia to have a Bell Choir. It is composed of nine boys who perform for such organizations as Kiwanis Club and Rotary Club. They perform songs of a religious nature as well as Broadway Hits and popular songs. The bells are under direction of Mrs. McDermott who accompanies them on the piano. They rehearse every Tuesday after school for an hour. Along with the Baker's Dozen, they are members of Jr. Civitan #2, a club designed for the students only.

Pete, Howard, Neil, Gene and Marty play for the Christmas Chorus Concert.

Norview is very proud of its newly uniformed band. The hard-working enthusiasm of Mr. Bailey's musicians is reflected throughout the school, from September to June, from 8:00 AM when practice begins to the last drum thumps at the end of the day. Games and concerts, assemblies and casual groups of listening students brighten and come alive to the sounds. (We enjoyed the bubbles, yes we did.)

The band has approximately 90 members some of whom have represented the school at State and local contests. Norview thanks it's spiritmakers.

Varsity Cheerleaders

With smiles as bright as their uniforms, the Norview Cheerleaders promote school spirit among the student body. Whether cheering the football team on or performing in school assemblies, they create an atmosphere of excitement.

During the year they furnish the members of the football, basketball, and swimming team with good luck name tags.

They are Norview's spirit incarnate.

J.V. Cheerleaders

J.V. Cheerleaders, a squad of enthusiastic, never-tiring, always-smiling, school-spirited packages, start the year out with tryouts, exhaustion and sore muscles. Leading the crowds at sports in many cheers, they urge Norview's players on to victory. They present boys participating in Junior Varsity sports with good luck name tags and stand behind and support the Varsity cheerleaders 100%.

Girls' Leaders Club

The Girl's Leaders Club of Norview, sponsored by Miss Fardette and Mrs. Beach, is presided over by Ann McLin. Its main purposes are to promote physical fitness and girl's leadership.

Members of the club officiate, organize and participate in extracurricular athletic activities and assist the physical education teachers.

This year the girls hope to give a balance-beam to the girl's gym classes.

At the end of the year the girls give their annual sports banquet to honor their sponsors and those who will receive their letters, and to install officers for the coming year.

Alpha Tri-Hi-Y has tried to create and maintain the goals and aims of the Tri-Hi-Y movement through home, school and community service. Their spirit campaign encouraged school participation in activities throughout the month of October.

Mottos were put on blackboards, water fountains were washed, and the flagpole painted to continue school spirit.

At Christmas they staged a toy drive for underprivileged children and collected back issues of magazines for a nursing home. Alpha has decorated the Nursing Home and went Christmas caroling to add to the community projects.

Later they attended service socials and socials with district Hi-Y's and Key Clubs to promote Tri-Hi-Y status.

The activities of Omega Tri-Hi-Y are best defined through their motto — "Promote clean speech, sportsmanship, scholarship and living, to create, maintain, and extend throughout the home, school, and community, high standards of Christian character."

Their projects have reflected this all year. During the "Keep Norview Clean Week", Omega cleaned the mirrors and trophy cases and helped tidy-up Norview. They aided the community by giving needy families Thanksgiving baskets and they have visited patients at hospitals and have given parties for underprivileged children.

Omega has social projects as well as the service ones. They have joined Key Club in having parties and also in attending Church services and breakfast in addition to their own socials and pajama parties. They also sponsor the annual "Howdy Dance".

Jr. Civitan is a service club whose main objective is to "Build Better Citizenship."

Norview has two such clubs. Jr. Civitan #1 is for students who maintain a C average and Jr. Civitan #2 is for students with musical ability.

A few of the money-making projects that Jr. Civitan has are a carwash, bake sales, fruitcake sales, and donut sales. Most of the money obtained from these projects is donated to Camp Civitan.

These students work with the mentally retarded as one service project. They also work to help the community by making flowers for De Paul Hospital, Having parties for the children at Camp Civitan, going Christmas caroling in various residential areas, and raking leaves at Camp Civitan last fall. For the school, they have bought flowers for the cheerleaders, served refreshments at a teachers meeting, and made spirit signs for the football games.

Pep Club

The purpose of Pep Club is to promote school spirit among the students and faculty of Norview. Its members are kept busy year-round by making numerous posters which encourage students to attend sports events and cheer our athletes to victory. Pep Club also distributes "Spirit" buttons to the students at various times during the year. The club accepts new members each semester and at the end of the year.

SPORTS

Standing: B. Tata. Kneeling: W. Walters, K. Whitley, J. Tuthill.

In the season opener, the Norview Pilots defeated a hard hitting Kellam team 14 to 0. For the second year in a row, the Pilots have won the city championship with a 9-1 record. This year, however, the Pilots have tied with First Colonial as Eastern District Co-Champions. This is the first time since 1961, that Norview has won a district championship. Norview's only loss "13 to 6" was to Wilson, the Southeastern District and Eastern Regional Champions. Norview ranked 4th in the state group 1-A and 2nd in the Eastern Regional standings. At Norview's Homecoming the Pilot's downed the Granby Comets 28 to 17. It was a flying year for the Pilot's and a hard working one for the ground crew. We offer a salute to the team and coaching staff on a job well done!

Junior Varsity Football

The 1969 J.V. football team was one of the best teams Coach Brown has trained since he arrived at Norview over 12 years ago. In the season's opener the J.V.'s tied with Indian River 0 to 0. This was the only blemish on the J.V.'s record of 6, 0, 1 which led them to take the City Championship. The Baby Pilots had a fine day when Lake Taylor came to Chittum Field. The J.V.'s won 20 to 0. In the final game of the season the Baby Pilots beat Kellam 32 to 13.

Mike Mansfield and Bill Hill won the Eastern District Championship in their respective weight classes with Mansfield at heavyweight and Hill at 165. They also won the state championship in their weight classes.

Swimming Team

The Norview High Swimming Team is composed of the best swimmers in the school. These individuals are molded by coach John Tigmo into a working body of participants who are active in several events. The events are judged by time alone.

The swimming team starts practice in early November, with the season opening in early January. The season continues through April with a total of twenty-two meets against all of the schools in the region.

This year's team captain is Tom Nolan. He is supported by six other seniors. Next year we will have approximately nineteen returning swimmers.

Outdoor Track

With the approach of spring comes the pitter-patter of the big feet of Norview's track team. Their goal for 1969 is the coveted District Championship. The team is chosen in the spring and they begin immediately to practice. There is a wide variety of events in which they compete, some of which include; high jump, broad jump, triple jump, pole vault, shot put, discus, 100 yard dash, 2.20 yard dash, 180 low hurdles, 120 high hurdles, 440 yard run, 880 yard run, the mile run, the two mile run and the mile relay.

The Golf team this year was made up of four boys. The small size of the team was not a liability since they defeated Maury, Granby, and Lake Taylor winning the City Championship. The over-all record of the team was eight wins, one tie, and one loss.

Baseball 1969

The coming of spring officially marks the opening of the baseball season. Baseball is a competitive athletic event requiring substantial skill, and is regarded as one of the most popular sports in the nation.

Tryouts for varsity baseball at Norview are held in the early part of March. The necessity of having a good team requires that only a group of the finest athletes, having shining abilities as well as team spirit, must be chosen. The fact that the members of the team must combine their skills in producing fast runners, good pitchers, and crafty hitters caused the practices to be long and rugged. It was evident that our varsity baseball team had to turn out one of the most exciting seasons that Norview High School had ever seen. Their determination was strong throughout every game. Unwilling to give up, they fought back hard to pull victory from the jaws of defeat. One truly may not realize the determination and stamina required until he looks deeply into the very essence of this team of potential champions. But win or lose, they displayed good sportsmanship and they represented Norview High School well in 1969!

Indoor Track

The Indoor Track Team had an impressive year emerging with the Eastern District Championship title. The Pilots remain undefeated for the second year in a row, winning a total of four duel meets. A new state record was set by the Relay Team. The winners are as follows; Pole-Vaulter — Robert Salone, Bob Lewis — High Jump, Ted Newing — 2 mile, and Chip Mallory — mile. As a result of the numerous other activities at Norview, the track team has failed to receive the recognition it deserves. It has not failed however to continually serve Norview as a most successful sport.

The girls physical education teachers with help from the Girls Leaders Club promote a program of fun and fitness for girls. This program, known as girls intramurals, includes modern dance, bowling, volleyball, basketball, tennis and softball.

The girls started the year with field hockey, perfecting their skills and later playing as a team against girls from Lake Taylor.

Vepco's first commercial atomic power station is now under construction in Surry County, Virginia. In the new Information Center overlooking the site, you will see an excellent slide presentation, fascinating exhibits, and a working model of the reactor. (And from the balcony, you can watch them assemble the real thing.) Open 10 AM to 4 PM Monday through Saturday and 1 PM to 6 PM on Sunday. For tour information call 771-3194 in Richmond.

The students and faculty of Norview for their patience amid all our doings.

As we finish our work and sit back to enjoy turning the pages, we hope that the memories we have tried to capture will live with all our readers as they will live with us.

Alma Mater

O Alma Mater, School so fair,
No greater wisdom anywhere.
We hail the colors, blue and white,
Send forth thy beams of glowing light.
This prayer we ask, O Bulwark Bold,
These memories that we may hold.
Long stand the halls of Norview High
Against the blue of Norfolk skies.
God grant in future years that we
May stronger, richer, fuller be.
More loyal as the years go by.
We hail to thee, O Norview High!

Sally,

DEAR SALLYE,

THIS IS FROM THE SWEETEST ~~BOY~~ MAN YOU KNOW. WE HAD SOME PRETTY GOOD TIMES IN CLAY'S CLASS AND DILWORTH'S CLASS (Dilworth's class, whee). I DIDN'T HAVE YOU IN ANY OF MY CLASSES THIS, BUT YOU CAN'T WIN 'EM ALL. YOU'RE A SWEET GIRL SALLYE STAY THAT WAY, AND I'LL SEE YA THIS SUMMER.

Luv ya,
KEW "71"
Kevin

P.S. I TRIED TO BE AS MODEST AS POSSIBLE SO AS NOT TO TAKE UP MUCH SPACE. SEE YA NEXT YEAR.

Sally,
Sorry you couldn't get in any of my classes this year but what I did see of you I enjoyed

Love you

Sallye,
To one of
my very best
friends and
has made a great year
never had I better you
to come and hope last fun
everything you do could see
Be good (try) and have you get
this summer see ya next year
Keep in touch
Love ya,
Cindy

Sallye,
Since everyone is saying such
things as "to the sweetest girl",
"to a real nice kid", etc. I will
not write these sentiments
because I know you and
the "real you" is indescribable
anyhow, I know know
will be a blast (trite)
next year and this
summer will be great.
Lots and lots of luck in
whatever you try out for this
summer - not that you
need it - I'll see you -
be good (that's a laugh)

Love ya,

 Sallye,
 It's been great
 knowing you this year
 Have a great NHS and don't
 forget it's not really you
 I got a great personality and
 with it, you'll go far
 Be Good ya,
 Love Beth

Sally,
Never forget all the
fun we've had this year. From
those stimulating SEH meetings to
the almost campaign you had for
reporter - Sally, it's really been
great knowing you this year. I'd
never met anyone quite like you.
From your "victors for victables"
to those great sign painting stunts
you conform, but you don't
what I love about you - Ah
